

Way of Life!

**GRAND
VITARA**

**Accessories
Catalogue**

**Ridin'
high.**

“Heaven is on Horseback” or so it is said. But this is not only true for horseback riding. Heaven can be found elsewhere – in a Suzuki Grand Vitara for example. It is a powerful draught horse with an exceptionally comfortable ride and great looks. In this catalogue you can discover all the additional saddles, bridles and horseshoes to give your Grand Vitara that little extra kick.

Exterior

The king is crowned.

Hard to improve upon given that it is near perfect already. But, with one or two appealing extras, you can give your Grand Vitara that personal touch.

1 | Running board¹

aluminium, set for left and right side

for 5-door model

Part No. 990E0-65J67-000

12

12 | Child seat "Baby Safe Plus"

Child seat of group 0+ for babies with up to 13 kg of weight or 12–15 months of age. This seat is tested and approved to the current Child Seat Safety Standard ECE R 44/04! Installation with 5 point seat belt, height adjustable headrest and belts, deep softly padded side wings provide optimum side impact protection, compatible with Baby SAFE ISOFIX Base and Baby Safe Belted Base and for travelling compatible with BRITAX pushchairs, 3-position carry handle with single handed adjustment, quick remove cover for washing, chest pads for child's comfort. This baby seat must not be used on the front passenger seat if the seat is fitted with a front airbag or the passenger front airbag needs to be deactivated according to the user manual.

Part No. 990E0-59J37-000

13

13 | Child seat "Kidfix"

Keeps your little one safe: the Kidfix for groups 2 and 3 seats kids weighing from approximately 15 to 36 kg. It meets the current Child Seat Safety Standard ECE R44/04 regulations and offers optimal side impact protection. Its perfectly routed 3-point seat belt installation plus additional fastening to the ISOFIX anchorage fastening points ensure maximum stability and safety. The headrest height can be adjusted to 11 different positions and the backrest to the angle of the vehicle seat. The reclined position can be set using the lever in the access slot of the detachable and washable booster cushion cover.

Part No. 990E0-59J25-001

14

14 | Child seat "ISOFIX Duo Plus"

Child seat of group 1 for kids of 9 to 18 kg of weight or approx. 8 months to 4 years of age. This seat is tested and approved to the current Child Seat Safety Standard ECE R 44/04! Installation in the car by the ISOFIX brackets, the seat features optimum side impact protection, unique Forward Tilt Control, singlehanded adjustment to change from the upright position to the reclined and sleeping positions. 5 point harness system with one-pull adjustment, shoulder pads reduce the load in the neck/head area. The comfortable fabric cover is removable for washing. The seat can also be fitted in cars without the ISOFIX system by using the vehicle's 3-point seat belt.

Transport

Can it be something even more?

No doubt you will have realised why there is a „Grand“ in Grand Vitara. If more capacity for that big tour or a long weekend is needed, no problem! Just select the appropriate accessory for your hobby - whether it is on two wheels, two boards or you just need more storage room. Incidentally, for the really big jobs a tow bar is of course available.

1

1 | Tailgate net
to stow items securely

Audio and Navigation

Country, city, or river?

Do you always know exactly where you are headed? Are you sure? 100 percent? Let's be honest, even with a great sense of direction, we can always use a little help at times. But not only that, these electronic passengers are also very capable multi-media all-rounders. They are competent navigation, entertainment and communication systems which can also help making phone calls. Could travelling be made more enjoyable?

1

1 | Pioneer AVIC-F40BT

Managing your car's navigation and entertainment system has never been easier.

The 7-inch (17,8cm) WVGA touch screen can be customised to your personal menus whilst Advanced App Mode allows you to access an ever-growing number of iPod touch^{®1}/iPhone^{®1} 4/4S compatible apps directly from your car dashboard. If you prefer to keep your hands on the wheel, the voice-activated speech commands let you control your phone calls and your multimedia without lifting a finger.

Key features include:

Navigation

- Latest maps of 44 European countries, including 154 detailed city maps and 3D visualisation of major landmarks.
- NavGate Feeds PC application allows you to add POIs with Google Maps and ViaMichelin (6.9 million pre-installed POIs).
- Text-to-Speech (TTS) provides voice guidance and relays traffic information from the Traffic Message Channel (TMC) in 18 languages.
- Voice-activated Speech Commands control a number of Bluetooth^{®2} and audio functions.
- Drive Report tracks journeys and Eco Drive analyses driving performance (e.g. acceleration, braking and CO₂ emissions).

Multimedia

- AM/FM radio, standard audio/video formats (CD, DVD, USB, SD card) and direct iPod^{®1}/iPhone^{®1} control (with optional cable).
- Advanced App mode enables music and video from your iPhone^{®1}/iPod Touch^{®1} Apps and functions with other useful and compatible Apps.

Telephony

- A Parrot Bluetooth^{®2} module seamlessly pairs with your phone from anywhere within the car and it stores information from up to 5 different phones and up to 1000 contacts per phone.

Check Bluetooth^{®2} Compatibility.

Part No. 990E0-59J40-F40

Basic mounting kit

Necessary for cars with and without serial radio.

Part No. 990E0-59J18-KT4

3

3 | Pioneer AVIC-F320BT

- Fully integrated in your car, the AVIC-F320BT offers a convenient and reliable solution for all your navigation and audio needs on the road.
- You can easily access any function using the detachable 4,3 inch (10,9cm) touch screen with customisable shortcut menu. The screen is detachable for your peace of mind.
- Benefit from improved map data covering 44 countries and more than 2.3 million points of interest. Using NavGate Feeds, you can also add you own POIs.
- Avoid traffic jams via the Traffic Message Channel (TMC), advising you of hot spots in real time, and suggesting alter-native routes.
- Audio/video playback and calling via Bluetooth^{®2}
- Play music from your preferred source: CD, USB memory device or iPod^{®1}/iPhone^{®1} (Direct Control via optional cable). You can also play compressed videos from SD card using the NavGate Feeds App.
- Calling via Bluetooth^{®2} is supported, and what's more: the Parrot Bluetooth^{®2} module can store, manage and call up to 400 contacts from 3 different phones. A microphone is included.

Part No. 990E0-59J40-320

Basic mounting kit

Necessary for cars with and without serial radio.

Part No. 990E0-59J18-KT4

4

4 | Pioneer AVH-2400BT

Make wireless calls and watch video on a 5.8" (14,7cm) touch screen in your dashboard with this Car AV tuner, or enjoy your music collection from different sources – all with quality and ease of use.

- Parrot Bluetooth^{®2} module for hassle-free wireless calling: it saves up to 1000 contacts. Plus audio streaming
- Your music and film collection in almost every popular format, including CD-A, DVD, MP3, WMA, AAC, JPEG, MP4 and DivX
- Aux In and USB input so you can easily connect your iPod^{®1}, iPhone^{®1} (requires optional cable) or other device
- 8-band graphic equaliser and crossover function let you match your device to the acoustics of your car
- Personalise the main menu items, background image and button illumination (from a choice of 113 colours)
- Upscale your system with the optional AVIC-F220 hideaway gps unit (Pos. 5) for stress-free route guidance across Europe.

Part No. 990E0-59J40-240

Basic mounting kit

Necessary for cars with and without serial radio.

Part No. Part No. 990E0-59J18-KT4

5 | AVIC-F220 Navigation upgrade system

If you own the AVH-2400BT (Pos. 4) and you would like to get a piece of the navigation pie without having to buy a whole new system, we have the perfect solution for you.

The AVIC-F220 is a flexible upgrade system that provides you with all the benefits of the navigation technology in a compact size.

For your peace of mind, the device is detachable and easy to take along.

With the SD slot, you can install updates and data from the NavGate Feeds PC application to find custom points of interests on the internet, and add them to your map. 2,3 million POIs have already been installed for you.

With the AVIC-F220 you can travel with confidence. It's a reliable, accurate and flexible upgrade to your existing AVH headunit.

Suzuki is more than automobile.

Automobile, motorbike and marine - 100 years of innovation. Visit our homepage via QR-code and learn more about Suzuki - way of life.

The complex block features a dark blue background. At the top, the text 'Suzuki is more than automobile.' is written in white. Below this, there are three images: a white car, a blue motorcycle, and a black outboard motor. To the right of the outboard motor image is a QR code. At the bottom, there is a line of white text: 'Automobile, motorbike and marine - 100 years of innovation. Visit our homepage via QR-code and learn more about Suzuki - way of life.'
