Exterior

A next step in style.

The Swift Sport's dynamic design doesn't only make for a sleek and sporty silhouette. It also offers more than enough room for ideas. Use spoilers, side skirts and a rear hatch moulding to create a more ground-hugging look. Accentuate the Swift Sport's distinctive face with unique headlamp trims, foglamp bezels and a new front grill. Or simply treat yourself to a set of attractive 15" wheels. Whatever you choose, it'll suit you. And your Swift Sport, too.
